

INTRODUCTION TO JYOTISH

Saturday, April 29th- to Sunday, April 30th,
2017

Jyotish is the eyes of the Vedas and it is part of our culture from time memorial. In Mahabharata, Karna told Lord Krishna about the the planetary positions at the time of the war.

There is lot of confusion and misinformation on various terms of Jyotish, like Kuja Doshas, Sade Saati, Rahu Kalam Kal Sarpa Dosh and various other questions, which people ask and do not know the answer.

In this introduction, we will start from the basic understanding of role of free will versus the fate, and as it is for beginners, there is no pre-requisite for this Seminar.

Rakesh Sharma, a Board Member of Rakesh Sharma, taught first introductory Jyotish class at Gurukulam in 1989 for 3 year Vedanta class of Pujya Swami Dayananda. Rakesh Sharma has been learning Jyotish since 1978 and learnt Jyotish at IIT Kanpur as a part of Astro-Palmistry Hobby Club and organizing and teaching Jyotish Seminars at Gurukulam since 1995.

This Seminar will teach the Vedantic view of Jyotish and will explain how it relates to our karma.

Fees for the two day course \$95. For registration, Please call Vimala: 570-992-2339 Ext 210. For more information: Rakesh Sharma 917.299.4128 rsharmaindia@yahoo.com www.jyotish.com

All those who are coming on Friday, April 28th, we will have an class at 7.30 pm too, but officially, the class will begin at 9 am on April 29th.
